

See Change Clearly. Act Early with **Active Analytics**.

23 areas of market disruption impact

Get member-level insights across your book of business. See who may be affected by plan terminations, formulary changes, premium increases, benefit reductions and other Plan Year 2027 disruptions.

Active Analytics helps you

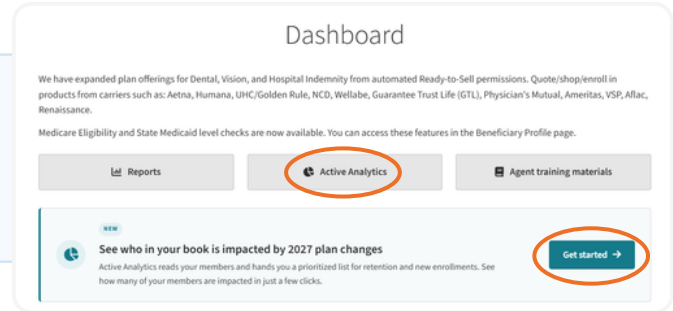

- ✓ See which members are impacted by change
- ✓ Prioritize outreach by impact level
- ✓ Identify potential D-SNP and C-SNP eligibility
- ✓ Uncover retention and growth opportunities
- ✓ Track enrollment for impacted members

Sign up via your ConnectureDRX PlanCompare dashboard and turn your book of business into your next opportunity.
