

ConnectureDRX and AMS+ by AgencyBloc

Enter client information once. Compare plans and enroll.
Enrollment details sync back to AMS+.

What this means for agents

Use your own account

Connect your ConnectureDRX account to AMS+ once your upline and agency turns on the integration.

Quote and enroll faster

Bring in prescriptions, pharmacies and providers, compare plans, enroll and sync the enrollment back to AMS+.

Seamless ConnectureDRX Integration

Link each ConnectureDRX account directly into your AMS+ experience.

No retyping prescriptions

PlanCompare Edge for Agents and PlanCompare Edge users can sync prescriptions, pharmacies and providers with AMS+ in both directions.

Get connected in 3 steps

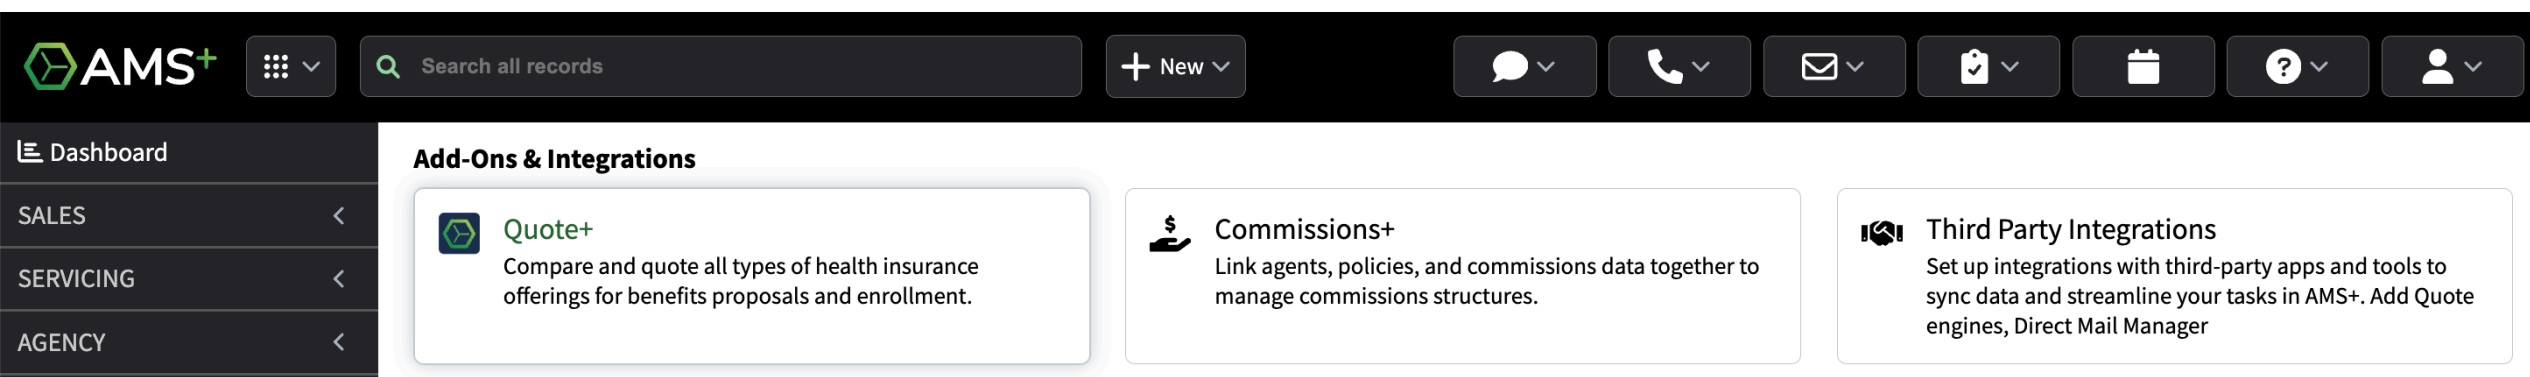

For PlanCompare ONE. Your upline and agency turn it on once. Then you connect your own account.

1 YOUR UPLINE

Asks their ConnectureDRX CSM to turn on the AgencyBloc integration.

2 YOUR AGENCY ACCOUNT OWNER

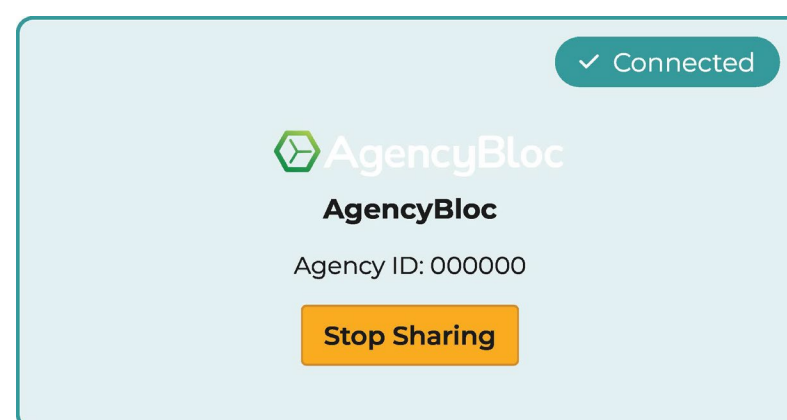

Turns on the integration in AMS+.

3 YOU

In **PlanCompare ONE**, go to **Account Overview** and select the AgencyBloc link to connect.

My Connected Apps

Good to know

Disconnect

In AMS+, go to My Profile & Settings → Integrations.

Reconnect

If the connection expires, sign in to ConnectureDRX and approve it again.

Independent agents

Have a direct-to-agent ConnectureDRX account? Connect on your own.
